RECUMBENT BIKE

R8000

RECUMBENT BIKE

Johnson's R8000 Recumbent Bike supports a new look, and great user friendly features.

Built-in front and rear feet for stability and a 'step through' design for elderly and disabled persons makes this recumbent bike ideal for commercial needs.

Handlebar integrated Thumb Switch Control and HR controls make it easy to select programs and adjust resistance level.

Hi-Tech Console Display
