

CLASS CYCLE

The new Johnson P8000 Class Cycle creates an authentic cycling experience by using a hyper smooth chain wheel system. Its rust-resistant treatment construction provides an all-round low maintenance machine.

Furthermore, the P8000 Class Cycle is equipped with a vertically and horizontally adjustable seat and handlebars.

Fit-in pedals with adjustable straps, micro-adjustable knob and yellow colored emergency stop button feature to reduce risks of injury.

20kg Flywheel

Micro-adjust resistance & emergency stop

2D Seat micro-adjustment

2D Handlebar micro-adjustment
